

ACTIVITY 1.3

USING THE INTERNET

Do a search of the phrase **“Entrepreneur ideas for kids.”**

1. What kinds of sites do you find?

2. Check at least three sites. Do any of them have good ideas for you as you plan your business?

3. What other words or phrases could you use in an Internet search to get ideas for starting a business?

4. Do you have an idea for a business? What words or phrases could you use in an Internet search to find out more about your business idea?
